**DOSSIERS DE PERSONNEL DES INSTITUTEURS**

Arras-Dainville

## INTRODUCTION

Les dossiers de personnel des instituteurs ont fait l'objet de plusieurs versements qui n'ont pas tous été décrits avec le même degré de précision et qui se chevauchent chronologiquement.

Le chercheur consultera :

- les dossiers classés en série T<sup>1</sup> qui ont fait l'objet d'un index patronymique et géographique par Thérèse Louage<sup>2</sup> et Jean-Yves Léopold en 1995. Les instituteurs dont les dossiers sont conservés dans cette série ont exercé durant la période 1878-1945 ;
- le versement 1304 W qui contient les dossiers des instituteurs nés entre 1842 et 1916 ; le répertoire est constitué d'un index patronymique ;
- les cotes 1 W 58001-62365 (*passim*)<sup>3</sup> qui constituent les dossiers des instituteurs nés entre 1889 et 1939 ; le répertoire est constitué d'un index patronymique ;
- le versement 6 W dont le répertoire manque de précision : indication des noms extrêmes du dossier uniquement et pas d'indication de date ; un sondage rapide permet toutefois d'affirmer que cette série paraît la plus récente et recouvre peu ou prou des années de naissance entre 1910 et 1960.

Composition-type d'un dossier :

- *fiche individuelle de renseignements* : elle indique l'état civil du postulant à l'enseignement, ses diplômes et une appréciation de l'inspecteur primaire sur ses aptitudes décelées lors d'un entretien préalable ;
- *rapports semestriels puis annuels du directeur sur son adjoint* : y sont décrites non seulement ses qualités professionnelles, mais aussi sa conduite en dehors de l'école ;
- *rapports de l'inspecteur primaire* ;
- *lettres de félicitation ou de blâme adressées par l'inspecteur d'académie* ;
- *lettres de plainte contre l'instituteur transmises à l'inspecteur primaire* ;
- *demandes de changement de poste* : elles sont accompagnées des arrêtés de nomination. Les demandes de congés vont de pair avec des certificats médicaux ;
- *états de service* : c'est en général la dernière pièce du dossier. Il sert à calculer le montant de la retraite.

<sup>1</sup> 6 659 dossiers ayant fait l'objet de cinq versements successifs de l'académie. Octobre 1944 : T 1165-1217, octobre 1953 : T 1218-1390, mars 1957 : T 1391-1449, octobre 1960 : T 1450-1471, décembre 1965 : T 1472-1567.

<sup>2</sup> Thérèse Louage a mis à profit son travail de classement pour livrer une étude (BHC 3231/1) sur le métier d'instituteur (1878-1920) : origines sociales, diplômes, conditions matérielles de vie, déroulement de carrière.

<sup>3</sup> Les dossiers de personnel des enseignants du second degré sont, entre autres, conservés sous les cotes 1 W 63989-64088.

Signalons l'intérêt du *questionnaire* envoyé en 1878 à tous les instituteurs. Il se décompose en deux parties. La première concerne l'école : locaux, matériel scolaire et pédagogique, logement de l'instituteur, améliorations demandées... La seconde offre des renseignements sur l'instituteur : état civil, diplômes, traitement<sup>4</sup>, vœux, etc.

Les dossiers de personnel sont communicables 50 ans après la clôture du dossier ou 25 ans après le décès de l'intéressé. Il est toujours possible de demander une dérogation pour consulter les dossiers (se renseigner auprès de la présidence de salle).

## SÉRIE T

### INDEX DES NOMS DE PERSONNE ET DE LIEU

Avertissement :

Les noms de lieu sont de deux sortes : les communes et les hameaux pourvus d'une école distincte de celle du chef-lieu communal. Certaines communes ont été fusionnées depuis 1878. Le lecteur aura soin de chercher au nom d'origine et au nom actuel car les renvois n'ont pas tous été faits.

Les noms de personne ont pu être estropiés ou mal transcrits par l'administration. Des corrections pourront être apportées en fonction des remarques que les usagers pourront faire.
